

engineering career exploration night

Wednesday, September 12

**4–8 p.m.
Memorial Union
Second Floor**

ASU Ira A. Fulton
Schools of Engineering

ARIZONA STATE UNIVERSITY

engineering.asu.edu/career

ASU 101 career events

fall 2012

Company Tours

Continue exploring occupations and learn about companies who recruit students from the Ira A. Fulton Schools of Engineering.

Register online for tours: engineering.asu.edu/career > Students > ASU 101

- Infusionsoft
Friday, September 14, 1-3 p.m.
- Local Motors
Wednesday, September 19, 3-5 p.m.
- DPR Construction
Friday, September 21, 9 a.m.-noon, limited to first 60 registrants
- Phoenix Analysis & Design Technologies (PADT)
Wednesday, September 26, 10:00 a.m.-noon, limited to first 20 registrants
- Jobing.com Corporate Headquarters
Tuesday, October 2, 10:30 a.m.-noon limited to first 25 registrants

First-Year Career Prep Focus

Introduction to your Engineering Career Center
Tuesday, September 25, 7 p.m., Sun Spot, Palo Verde East HUB

Fall 2012 Engineering Career Fair

Wednesday, October 3, 1-6 p.m.
Arizona and Ventana ballrooms
Memorial Union

Communicate with Confidence: Seven Steps to Greetings and Introductions

Friday, October 19, 3-5 p.m., Murdock Hall, Room 101

Internships, Internships, Internships—A Student Panel

Tuesday, October 23, 7 p.m., Sun Spot, Palo Verde East HUB

Your “Optimal” Resume

Tuesday, November 6, 7 p.m., Sun Spot, Palo Verde East HUB

Index (Table# – Ballroom, Company)

- | | |
|---|---|
| 1 - Arizona, American Society of Mechanical Engineers | 40 - Arizona, Gannett Fleming |
| 2 - Arizona, Society of Women Engineers (SWE) | 41 - Arizona, Go Daddy.com |
| 3 - Arizona, IEEE Women in Engineering (WIE) | 43 - Arizona, HDR Engineering, Inc. |
| 4 - Arizona, Society of Hispanic Professional Engineers | 44 - Arizona, Heraeus Materials Technology |
| 5 - Arizona, Biodesign Institute, ASU | 45 - Arizona, Holder Construction Company |
| 6 - Arizona, Celgene Corporation | 46 - Ventana, Honeywell |
| 7 - Arizona, Center for Biosignatures Discovery Automation | 47 - Ventana, InfoSol, Inc. |
| 8 - Arizona, W.L. Gore and Associates | 48 - Ventana, INHANCE DIGITAL |
| 9 - Arizona, Mayo Clinic | 49 - Ventana, Intel Corporation |
| 10 - Arizona, Medtronic, Inc. | 50 - Ventana, Recruiting.com (Jobing.com) |
| 11 - Arizona, Stryker Corporation | 51 - Ventana, Kineo |
| 12 - Arizona, The Dial Corporation: A Henkel Company | 52 - Ventana, L-3 (Warrior Systems Division) |
| 13 - Arizona, Translational Genomics Research Institute -TGen | 53 - Ventana, Link Engineering |
| 14 - Arizona, Ultimate CNC | 54 - Ventana, Local Motors |
| 15 - Arizona, 360 Vantage | 55 - Ventana, Lockheed Martin |
| 16 - Arizona, 41st Parameter | 56 - Ventana, M+W Group |
| 17 - Arizona, 56 CES | 57 - Ventana, Marvell Semiconductor |
| 18 - Arizona, AALS | 58 - Ventana, Microchip Technologies |
| 19 - Arizona, Acciente, LLC | 59 - Ventana, Nalco an Ecolab Company |
| 20 - Arizona, -Open- | 60 - Ventana, ON Semiconductor |
| 21 - Arizona, Arizona Dept. of Transportation | 61 - Ventana, OneClickMed |
| 22 - Arizona, ASU/University Technology Office | 62 - Ventana, Orbital Sciences Corporation |

NOTES

ASU Career Services offers an excellent web-based employment management system, powered by NACELink Network and Symplicity. Search degree-related job vacancies and internships, upload your resumes for recruiting employers to view, schedule on-campus interviews, and see who's recruiting at our career events throughout the

The price is right

There is no cost to ASU students to upload resumes, or participate in on-campus recruiting.

Opportunities

More than 700 jobs and internships that target ASU students and alumni are posted monthly, and over 14,000 employers are registered in Sun Devil CareerLink. Unlike the majority of postings that appear on large, national job sites, employers who post on this system are interested in hiring current students and recent graduates with limited experience, and have a specific interest in ASU applicants.

Easy Registration

Go to asu.edu/career and follow the *Sun Devil CareerLink Student login* link. If you are new to the system, create a profile including your contact and academic information. Set your e-mail, resume and text message preferences before leaving the profile page. Then select synchronizing options. Remember, you can and should update your profile and resume on a regular basis.

Need an ASURITE ID? Visit asu.edu/asuriterequest.

F.A.Q.

I want to put my resume on line. How do I upload or change documents to my Sun Devil CareerLink account?

First, create your resume, preferably using MS Word. You can get advice on how to craft a resume by visiting with one of our career advisors or checking out the tips for writing your resume on our website. Once you've created your resume, log on to Sun Devil CareerLink and click on the *Resumes, Documents and Instructions* tab at the top of the page and follow the prompts. You can upload up to 10 documents but you must select one resume as your default.

I'm ready to start considering my options. Where do I see jobs and internships?

Log in to Sun Devil CareerLink and follow the *Jobs, Internships & Interviews* tab at the top of the page, then select *All Jobs and Interviews* from the *Show Me* drop down box. There are three groups of opportunities available to you: jobs and internships that are posted for on-campus interviewing, jobs and internships that are posted directly to ASU Sun Devil CareerLink, and nationally posted jobs and internships.⁽¹⁾ When you see a job of interest to you, check on the * (star) to save it to your favorites so you can go back and apply later.

How can I receive e-mails about new opportunities?

A *Search Agent* will make your job search a lot easier by notifying you through e-mail of new positions of interest. It will monitor jobs and internships as they are posted to Sun Devil CareerLink and e-mail you when there is a match to your criteria. You can create multiple *Search Agents* and give each its own name.

- From the Sun Devil CareerLink Home page, click on *Jobs, Internships & Interviews*, then *Jobs Posted to Sun Devil CareerLink and Upcoming On-campus Interviews*, and then select the *Advanced Search* tab.
- Select the criteria the search agent will be based on. Once chosen, type a *Search Agent* title in the *Save As* field and click the checkbox to save it. Click on the *Submit* button.
- All Search Agents will be saved in the *Search Agents* tab. To schedule the search to run and e-mail the job list automatically, click the *Schedule* button in the *Options* column in the *Search Agents* tab.

⁽¹⁾ When you see a job of interest, click on the star and save it to your favorites. You can go back and apply later.

On-Campus Recruiting

Where do I see who is coming on campus to interview?

How do I request on-campus interviews through Sun Devil CareerLink?

Log in to Sun Devil CareerLink and follow the *Jobs, Internships & Interviews* link at the top of the page. Then select *Jobs Posted to Sun Devil CareerLink and Upcoming On-campus Interviews*. From the *Show Me* drop down box, select *All Interviews* and select the *Search* button. To narrow your search further, enter your preferred criteria before selecting the search button. Select the *Job Title* for the employer(s) you're interested in, then click on *Apply* to select and submit your desired resume. Should you wish to withdraw your application **prior to the submit deadline**, select *My Interviews, Interview Requests, Withdraw Application*. If you want to change the resume you submitted **prior to the submit deadline**, select *My Interviews, Interview Requests, Withdraw Application*, then re-submit a new resume. You can always check the status of your interview request(s) by navigating to the **Alerts** section of the Sun Devil CareerLink Home page or by following the link to *My Interviews*.

Pre-Selection vs. Open Schedules

Pre-Selection: The employers choose who they want to interview based on their review of resumes submitted through Sun Devil CareerLink. All interested registered candidates may submit their resumes for consideration. However, when an employer requires U.S. citizenship due to a government contract, etc., registrants who do not have U.S. citizenship will not be able to use Sun Devil CareerLink to pre-select. In these cases you are encouraged to email your resume and cover letter to the employer directly, requesting to be considered for an interview. Candidates are allowed to submit or update resumes until approximately 2-3 weeks prior to the interview date (based on *Resume Submission & End Date*). If you are pre-selected (invited by an employer for an on-campus interview), you will need to schedule an interview time through Sun Devil CareerLink. If you are selected as an alternate, you will be able to schedule an interview time during the sign-up date range, provided space is still available.

Open Schedules: Schedule interview times immediately, provided you are registered with Sun Devil CareerLink, meet or exceed the requirements for major, degree level, graduation date and work authorization type requested by the employer, and there are times available on the interview schedule. If you do not meet the qualifications (based on your profile), the reason will be displayed on the screen, and you will need to contact the employer directly if interested in this on-campus interview.

How do I know if I have been pre-selected (invited) by an employer for an on-campus interview?

Once you've applied for a pre-selection interview, check the *Interview Requests* tab from within *My Interviews* on a regular basis. Prior to the employer selection deadline, you should see your status as *Pending*. After the employer selection deadline has occurred, your status will change to either *Invited, Alternate* or *Not Invited*. If you are *Invited* or an *Alternate*, you may then either *Schedule* or *Decline* an interview.

How do I schedule, reschedule or cancel an interview?

- To schedule an interview, access the *Interview Requests* tab from within *My Interviews* and click on the *Schedule Interview* button. Select an *interview time*, then click on *Submit*.
- To reschedule or cancel an interview, access the *Scheduled Interviews* tab from within *My Interviews*, then click on either *Reschedule* or *Cancel* button.
- Cancellations and no-shows are taken very seriously. If you cannot make your interview, promptly notify Career Services. Cancellations must be made at least 2 working days prior to the interview day. If you fail to show or do not cancel at least 2 working days prior to your interview date, you will lose your access to Sun Devil CareerLink and will need to bring a copy of your letter of explanation (that you send to the employer) to a Drop-in Advisor pending reinstatement. If you have a second no-show, you will be required to meet with the Executive Director or Associate Director of Career Services to discuss possible reinstatement.

Where are interviews conducted?

On the Tempe campus, unless stated otherwise, all interviews listed will be held on the north end of the 3rd floor of the Student Services (SSV) Building. Have a seat in the Candidate Interview Waiting Area until the recruiter calls your name. On-campus interview locations on the Polytechnic, West and Downtown Phoenix campuses or Schools of Engineering and Business will be specified in the Sun Devil CareerLink system.

How do I "Manage My Job Applications" for opportunities not managed through On-Campus Recruiting?

- From the Sun Devil CareerLink Home page, click on *Jobs, Internships & Interviews*, then *Jobs Posted to Sun Devil CareerLink and Upcoming On-campus Interviews*. Select the *Applications* tab.
- You will be able to track each Sun Devil CareerLink "application" you have submitted, the date it was sent, the job listing you submitted it for, and the status of each application.

Career Exploration doesn't end when this event is over, set some time aside and plan to take the next steps

Reflect on what you learned tonight.

- What are some of the new things you learned about career choices with your chosen major?
- What are the things that interested you the most?
- Which industries were represented?
- What did you learn about career paths?
- Were there any pieces of advice that you heard from several people?
- Make a list of questions that you still want to have answered.
- Connect to new acquaintances on LinkedIn:
www.linkedin.com/groups/Engineering-Career-Center-Arizona-State-2427152

Find your passion by trying new things.

- Check out student organizations and find one or two to join.
- Within the Fulton Schools: <http://studentorgs.engineering.asu.edu>
- Or throughout the university: <http://asu.orgsync.com/search>
- Get involved in research: <http://more.engineering.asu.edu/furi>
- Apply engineering to solve social problems: <http://more.engineering.asu.edu/epics/why-epics>
- Turn an idea into a business: <http://entrepreneurship.asu.edu>

Let the Engineering Career Center help you put it all together.

Create a resume that highlights your technical and interpersonal skills in terms that interest employers.

Learn and practice the art of interviewing.

Whether you are seeking an internship, applying for scholarships, graduate, law or medical school, career coaches are available to assist you through the process.

Prepare for success. Gain valuable skills like writing a technical resume, job search strategies and interview techniques.

On-campus recruitment and info sessions

Meet with company representatives on campus! Check Sun Devil CareerLink to apply and schedule interviews.

Engineering Career Fairs

Engineering Career Fairs are open to all disciplines of engineering and geared toward both internship and full-time career opportunities.

Held twice a year, our **Engineering Career Fairs** have grown rapidly. The spring 2012 Engineering Career Fair attracted a record 2,048 participants, 104 companies and 300 recruiters. Immediately following the event, over 200 individual interviews were conducted on campus.

We help facilitate **on-campus recruitment** by offering facilities for employers to reserve office space to interview students. Students can apply, find important deadlines and schedule interviews through Sun Devil CareerLink.

Fall 2012 Engineering Career Fair

October 3, 2012, 1-6 p.m.
